*BILL  
HUTCHINSON*

Bill Hutchinson is the Founder and President of Dunhill Partners, a Dallas-based Commercial Real Estate company with over 4.5 million square feet of investments, spanning from Texas to Hawaii. Upon receiving his B.B.A. from Southern Methodist University, Bill began his professional career as a real estate broker. He then worked his way to the top, owning one of the 100 largest retail real estate companies in the United States.

Since 2014, Hutchinson and Dunhill Partners have led a revitalization effort in the Dallas Design District and transformed it into a fashionable and important neighborhood. With the Virgin Hotel scheduled to open in Fall 2019, the Design District will soon be one of Dallas' hottest entertainment districts. Bill will share inside stories and tell us more about the ongoing progress of the Design District.
