MARGARET CHAMBERS

One of D Magazine's Best Designers in Dallas for 12 years and counting, Margaret Chambers is a household name in the Dallas design community. In her more than 35 years in the industry, Margaret's work has been featured in more than 30 books and magazines, and earned national awards from the American Society of Interior Designers.

Clients of Margaret's at Chambers Interiors & Associates trust her team to mix eclectic styles and techniques masterfully, creating just the look they have envisioned. The collaborative spirit she brings to every project allows her to share in the creative process, rather than control it. Since the founding of her firm in 1994, Margaret's mission remains to create timeless interiors that speak uniquely of each individual client – spaces that reflect the homeowners' lifestyle and design aesthetics.

Margaret is a licensed Interior Designer with the Texas Board of Architectural Examiners (TBAE), certified through the National Council for Interior Design Qualification (NCIDQ), and is a professional member of the American Society of Interior Designers (ASID).
